

NGUYỄN NGỌC TƯỜNG VY

STRATEGIC PLANNING

PROFILE

Final-year Digital Marketing student with hands-on planning experience across B2B and B2C environments — from market research and competitor analysis to campaign proposals and performance reporting. Detail-oriented, proactive, and comfortable managing multiple projects under tight deadlines. Seeking a Strategic Planning Intern position to deepen my research and insight-development skills while contributing real value to the planning team.

WORK EXPERIENCE

FPT Oline

6th Floor, Exchange Tower, 1 Nam Ky Khoi Nghia Street, Ben Thanh Ward, Ho Chi Minh City

Planning Intern

- Conducted market research, competitor analysis, and consumer behavior studies to develop strategic directions for B2B clients and brand partners.
- Produced media kits and sponsorship proposals for major campaigns (Tech Awards, Car Awards), pitching integrated communication solutions to technology brands including Toshiba and Narwal.
- Compiled and analyzed campaign data into weekly and monthly performance reports, supporting data-driven optimization and strategic recommendations.
- Supported ideation of creative concepts, campaign messages, key visuals, and content direction across multiple brands in parallel.

Thap Coc Nong Lam

Sale & Marketing Intern

- Planned and managed content across Facebook and Instagram, increasing engagement by 45% within 2 months.
- Created brochures, sales materials, and promotional content supporting both online and offline activities.
- Delivered post-sales support, contributing to a 25% return-customer rate.
- Co-produced a digital video campaign reaching 1M+ views, handling video editing with CapCut.
